

# CREATIVE FACILITATIONS

Authentic Communication. Human Connection. Positive Impact.

## WHAT WE DO

We help organizations increase effective communication, uncover the value of different perspectives, hold space for challenging conversations, and nurture diverse teams so people feel like they belong and can do their best work.

We create opportunities for authentic connection resulting in positive impact for businesses and people.

“The most incredible team that anyone could dream to work with...in the world... globally... ever! Believe me I have worked with many and this team is THE BEST out there.”

Sheana K, Psychologist & Consultant, Ireland

## WHO WE ARE

For 25+ years on 6 continents, we've increased effective communication - one person at a time. Led by Founder and President Stephanie Pollack, we are a sought after team of diverse global experts who work adeptly across cultures to affect positive change. We are known for our kindness, authenticity, empathy, ability to connect dots, patience, and optimism. Clients include:

### Corporate

### Government

### Non-profit

### University

Creative Facilitations is a Disability-owned & Woman-owned business that aims to further accessibility and belonging worldwide. Being part of marginalized groups, our disabled, neurodiverse, multi-cultural lenses inform every aspect of our work.
